A living, working, active landscape valued by everyone

Northern Ireland Pilot Reuse & Repair Network Meeting

While we wait to begin you are invited to use this whiteboard to draw or type about any inspiring projects you have been doing or know of in prevention, reuse or repair. Simply click on “View Options” “annotate” in the top menu bar and use the drawing tools.

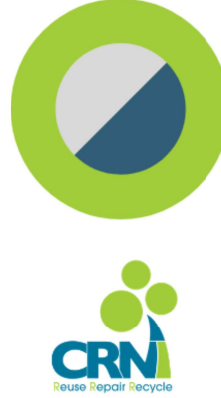

Welcome

Technical problems?

- Send message via chat (public or private to Claire)
- Wave (icons pop up when you click on “participants”)
- Wave in real life if you are on camera
- Text Claire on +353 871735184

Welcome

Rachael Hook |
| 3.30pm - 4.00pm | Breakout rooms |
| | <ul style="list-style-type: none">- What would people like to get from a network?- If there was one piece of policy you would like to see changed, what would it be? |
| 4.00pm - 4.30pm | Wrap up/Next steps - Sorcha O'Brien, CRNI Project Manager |

Introductions

- ▶ Your name, role and organisation
- ▶ Use the chat function to post:
 - ▶ your organisation's website / twitter page / facebook page
 - ▶ a sentence about your organisation or an interesting project you are working on

Feasibility Study - what you said

<https://crni.ie/research/>

- Profile of the sector - 79 organisations identified
- Also connected with 11 Local Councils & 8 national networks

Top barriers

- Funding
- Staffing and volunteers
- Physical space
- (Councils) lack of reuse targets
- (Councils) lack of time

Help Grow Capacity

Funding and business opportunities, tailored training, donations, research.

Facilitate networking, collaboration

Members meetings, events, online tools

Promotion

Press, online, events, newsletters and more

Make the sector Heard

Inform policy and connect with policy makers

CRNI member impact 2019 (est)
