WeShare

Particular challenges

- No preparation for reuse
  - Access to goods
  - Cost & lack of incentive

- Lack of community repair

- Liability

https://crni.ie/research/

Common Challenges

- Business during Covid

- Culture & cost to consumers

- Availability of spare parts - especially during Covid

- Low quality of goods

- Labour costs

- Access to training

Ecodesign regulations & upcoming policy

A Waste Action Plan for a Circular Economy
Ireland's National Waste Policy
2020-2025

EU

- Right to repair campaign

- Broadening of product groups (e.g. textiles)

NATIONAL

- repairmystuff - national register?

- Targets - prep for reuse, repair?

- Financial supports - VAT, vouchers, rates

- Address liability issues

An Ireland where the word 'Waste' doesn't exist and where our entire community benefits from the social, environmental and economic value of all reusable resources.

Thank you
